“ *Janis Ellison*

“ *Where to begin??? As a young couple moving to Cleveland, Oklahoma to pastor the Assembly of God Church, we were blessed to meet, get to know and learn to love Janis and Joe. We had so many wonderful times and shared a lot of laughter then and through the years. We spent a lot of time playing "Moon" and made numerous Sunday evening trips to Tulsa for food and fellowship. Through the years we visited with Janis and Joe when we passed through Tulsa or Broken Arrow. It was on one of those trips many years ago that Janis introduced us to Jen's Pickles. She sent us home with a jar and I haven't been without them since--even shipping them to Africa. Janis gave us love, laughter and pickles. We will never forget her and look forward to a promised reunion.*

“ *What a joy, she blessed my life with a lot of laughter and being sister-in-laws was an even bigger joy. The special times of sharing our lives whether it was happy, sad or frustrated moments were times I will cherish forever. I will miss you, my friend so very much! Luv you Janis and I will never forget you. Joe, Jeff and Kristi I'm praying for you and your families, hold your memories close and let them bring smiles to your heart.*

“ *Janis was a wonderful next door neighbor. She never missed an opportunity to come visit if we were in the front yard or to come by and check on us. Her smile was infectious as was her spirit. A corner of our block is a bit more silenced without her presence but her spirit will never be gone inside of those of us who knew her. God couldn't have blessed us with a more kind and gentle person. We loved her and will miss her. Jan, Kenny, Kenianne and Michael Wilmott*

“ *Janis truly never met a stranger. She had a gift of gab that could draw anyone in. I was just thinking earlier today that as a little girl my Dad took us to watch Janis play basketball at Roff. She was a great basketball player. I remember one night as the game ended, I got lost from my parents in the crowd, if you can imagine a crowd in Roff. She had a love for Joe that always shined through in the way she looked at him. She is now in heaven and is talking to everyone there.*
