“ I remember fishing with Jason, Grandma and Grandpa. One time when I was carrying a catfish in a net up to the truck for Grandma the catfish flogged me and I was screaming only for Jason who threw his pole in the water to rush up to where I was over all those rocks to save me, He didn't even think twice about. I wish I could have saved him. Like my mom has said... He's the son she never had and to my sister and I he was the brother we never had. <3
