The Wilke family loved Jean very much. She always took an interest in the boys and their homeschooling. We have countless books and crafts at our house that Jean set aside for the boys. She loved them like her own grandchildren. She will be missed for her love, her service, and her faithful witness to everyone. Well done Jean.

“ *I met Jean a couple of days before moving here to the Villa senior living and we became friends immediately. I admired her devotion to Bob and her putting his care ahead of all else. We were so much alike in always being busy with something. We spent many hours sharing our faith, our families, and our growing up years. We took food to each other when we cooked something special. All of those special things that friends do as we get older and live alone. Jean was a loving and kind person to all of her friends and loved her church friends. My sympathy to Mike, Eric and their families. She loved all of you so much. We will see her again, she just got to see our Lord before we did. I miss her. Margie*
