“ *What a blessing Jerial and Frances was to my family. There were so many times at the lake and traveling with them. Jerial and my dad were perfect friends. Both loved fishing...they could sit for hours w/o even a bite and still enjoy the company. I remember that Jerial was King of the ping pong table. I don't think I ever beat him. After we (kids) were gone, jerial and Frances continued their trips, cruises, and just hanging around together. Our lives were so much better having them with us. Barbara. I love the friendship we had and I pray you are at peace. You dad was a wonderful man and had a long and wonderful life and he lived you and your mom, so. My prayers are with you.*

“ *Mrs Jerial (Frances) Williamson gave me my first job typing work orders at Bell Telephone Company. I appreciated having her reference on my resume. I used every dime of my paycheck for college.*

Jerial was a deeply respected, quiet gentleman. They invited me to Sunday lunch in their lovely home with a beautiful meal. I always admired that special couple and their beloved daughter, Barbara. Those are great people, faithful Christians who have led exemplary lives. Georgia Helm Freiling, New Braunfels, TX
