Bill and Shiela have always been wonderful neighbors. They put up with my car collecting their entire time living next door to me. I'm grateful for Bills kindness. I also currently work at American Airlines and worked on a few projects with Bill while we worked on some American Eagle parts. Bill was my Wilson, many times talking across the fence. And he always tried to keep my dogs, throughout the years, entertained. You'll be missed my friend. Rest In Peace.

“ *Bill and I are first cousins. Our fathers were brothers and operated Gaddis Marine Service on Grand Lake. Bill and I were about the same age. Our houses were close and we were together nearly every day all through high school. We swam in the lake and rode our bicycles a million miles over gravel roads around Grand Lake. Great memories. Condolences to all his family.*
