“ Jerry was one of the nicest men that I have had the privilege to know. There are many memories from golfing, careers, and gardening that we shared; however one remains a favorite. It was his 60th wedding anniversary; Jerry said that he would not be golfing and would be taking SANDRA to dinner. I jokingly said that he could play in the morning since dinner was at night. Well, Jerry replied that he would be spending the day with Sandra. I respect a man who speaks with such love for his wife. I will miss our conversations. Terry Kelly
