“ Jim was always so kind to me. Every time he would call or I'd walk into his office, he'd smile and say with enthusiasm "Branden, my friend!"

A good God fearing Christian man. So thankful to have spent time with him.

“ So very sorry. Thoughts and prayers for Marcie, Victoria and all the family. We were friends for many, many years then drifted apart these past years to my regret. Fondly remember all the weekends we spent together playing cards and going to Franks for the BBQ!! Rest in peace my friend and will see you again when Christ returns.

“ We were friends since 5th grade and have been friends ever since. We spent our entire life together. In the last year we had not talked and that was all my fault. We didn't have a falling out, I was just too busy. I feel so bad I never made time. I hope Jim can forgive me. I am so lonely now. When Jim was in this world I knew he would help and listen to me and I pray he felt the same way about me. If I was alive, I was looking forward to retirement and doing some traveling with Jim. I never thought Jim would leave first. So much more to be said about Jimmy Arnold. It would fill a book. Please know my beloved friend I miss you!

“ Jimmy, I'll always remember you growing up with us, taking vacations with us so you could see the old airplanes you loved so much (& our helicopter ride)! You spending Wednesday nights with us in the summers so we could do our \$1 movies & lunch on Thursday. And we will always remember our "Casa Bonita Saturday's" (raise the flag)! I remember how excited you were when you & Marcie started dating & when you told me you fell in love & wanted to marry her. Melissa & Suzanne were so excited to be your flower girls! Over the years we had so much fun. We'll miss you & we know you're seeing & hugging everyone right now, give an extra hug to Melissa for me. Our thoughts and prayers are with all the family and friends.

“ Uncle Jimmy always had a bubbly personality. I remember wanting to hang out with the adults and him coming up with games for Melissa and I like seeing how long it would take for us to run to the fence and back and he would time us. When we got back he would say "he forgot to time us and we would have to go again" ;) or playing 52 card pick up. Between his jokes and Uncle Roberts wet willies you didn't know what to do. But, that is what made going over to grandma so fun was all the different people and each one brought a piece of making up the Arnold family pie. I appreciate those times and all the memories. I'm thankful for the time I was able to spend with each one who has passed and there has ben many. Uncle Jimmy will be greatly missed.

“ So many memories, so little time. Go chase the Red Baron, you will catch him “Snoopy”. You will always be remembered with warm thoughts and a smile. Love you! See you later. Gloria
