“ Remembering Jimmie will always make me smile! I've heard my daddy say many times that the MaGees were just like family and that Jimmie always took good care of him. From some of the stories I've heard them tell I think the good Lord took mighty good care of both of them!

I am so thankful that I got to take many trips down memory lane with them the last few years and these memories I will cherish always.

Jimmie, your absence from this earth leaves me so sad, but the good memories will forever warm my heart!

Much love forever and always
