

## Jimmy Hock

July 16, 1970 - April 24, 2021

James Peter Hock was born in Manhasset, Long Island on Thursday, July 16, 1970 to Peter Leo and Marie (Rao) Hock. He passed from this life to his eternal resting place on Saturday, April 24, 2021 in Tulsa, Oklahoma at the age of 50.

Jimmy was the oldest of three children, having two younger sisters. His family moved from Long Island to Bixby, Oklahoma when he was a young boy. He was an outgoing, fun, athletic boy who loved listening to music. He liked baseball but loved football, playing on the championship Bixby High School Football teams in the late 1980's. He was also very artistic with a hidden talent for sketching. He could draw football players in action like no one else. Besides Bixby Football, Jimmy was a fan of OU Football and the NY Giants. He graduated from Bixby High School in 1988. He attended St. Gregory's University in Shawnee, Oklahoma where he met Nicole. After dating for several years, they married on May 31, 1997. Their union resulted in two children: daughter, Amanda and son, Trevor. Jimmy was a very involved and supportive dad, coaching Trevor's Football and Baseball teams, and passed along his love of music to Amanda. His favorite band was KISS.

His family described Jimmy as loving, gentle, kindhearted, funny, quick witted, a wise guy who could always make his baby sister laugh. He was always happy to see others' accomplishments and was enormously proud of his

children and his nieces and nephews. He loved animals, especially dogs. Jimmy enjoyed speaking to people and that led to a lifetime of sales jobs. He was a member of the Knights of Columbus and St. Benedict's Catholic Church in Broken Arrow. He will be missed by all who knew and loved him.

“ *My name is David Bowen I worked with Jimmy at Cash saver. Always look forward to coming to work and seeing his bright smile and hearing about what a great weekend he had and all the things he got to do with his family. Even when he was hurting and struggling and couldn't do anything to help himself. He always made sure that everyone else was okay and that he was there for them. I'm going to miss him so much. He touched my heart and away that not many people can. I was proud to truly call him my friend. He's finally coaching for God's team. I love him, I miss him, and I'll see him when I get there. my deepest regards to the entire family.*
