“ Jo Ann was always so kind and had such a way with words. My best memories are the times when she and my mom, Dee would load all of us kids in the car and off we'd go. There were usually a couple of friends in there too, a dozen or so from babies to teens. They liked to go bowling at Tiffany lanes in Tulsa and sometimes we would go to the movies or go skating. Most of the time we played outside, getting so dirty down by the creek and walking on that old dirt road. We are blessed to have had this sweet lady in our lives.
