My condolences to you and your family during this time. I remember meeting your mom, a time or two and she was always very sweet. Her legacy continues with you Lori, your parents raised one heck of a beautifully caring and sweet woman. Many prayers for you for the healing ahead, but I'm sure she will be smiling down, watching over you all. Much love my friend. Xoxo 💕

Joanie, I can't believe the time has come for me to be writing this. Life went by to fast. 51 years ago I met you, Jim & Lori for the first time. I was 17. So much has happened since then and now. There was our move to Colorado what a trip that was. Then our lives began their journeys. Thank you for taking me under your wing, I won't forget our lunches, shopping at the Citadel and Chapel Hills Mall, coming over for coffee, teaching you how to drive (that was a trip in itself) all the birthday& anniversary parties over the years. Thank you for your kindness, sweetness, friendship & Sisterhood. You raised a wonderful Daughter. This isn't goodbye this is until we meet again.

I was deeply saddened to hear of Joan's passing. I have so many wonderful memories of spending summers in Colorado with Aunt Joan, Uncle Jim, and my cousins. She was loving and warm, and I always felt at home in her home. Know that your family is in my thoughts during this difficult time.

Thank you all for your loving thoughts and kind words. She is so missed. It's been a very long year without her in our lives. I miss her terribly. But I'm beginning to be able to look back on my cherished memories and smile. Her love warms my heart. The tears are less, and the memories greater and more healing than ever. Thank you again for your comforting words. 💕
