A note from Don to all friends and family:

At 9:18am this morning I lost my mother. Having the best mom ever is very difficult as she had the best friends, best neighbors, best food, best dart game, best snacks, best nap environment, best conversation, best advice, best driving record, best scores on the computer games, best photo albums, best voice, best plants, best listening skills, best puzzle builder, best cookie maker, best grandchildren babysitter, best traveler, best cheerleader, best weed eater, best gardener, best housekeeper, best appointment keeper, best calendar updater, best secret keeper, best lie detector, best observer, best commentator, best fisherman, best horseshoe thrower, best yard dart player, best partner and most competitive person and committed to love everyone that I have ever known. Oh, did I mention she was married to my dad for over 64 years and was the best wife too? She was...you can add here.

Others added...

She was my best friend (many times).

She was always such an incredible joy and light to be around.

We remembered your mom. She was very sweet

She was like a mom to me

She was the BEST at making you feel loved and special.

Best succulent farmer, best veggie chef, best hairdresser, best cookie maker, best gift picker, best dart scorer & thrower, best joke teller, best treat sneaker, best chatter, best word searcher, best tea drinker, best Gram Jo & Great Gram Jo, best listener, best nap insister, best support and the very BEST birthday buddy.

“ *Dear Don, Lisa, kids and grandkids,
I was so sorry to hear of Joann's passing. I feel like I lost a mother yesterday because she definitely was a mother to me when we lived in Broken Arrow. We shared so many laughs and tears through the years. She was always there to listen and always, always willing to drop what she was doing if I needed her.
She has kept me updated on all of you since we moved and I can tell you, no one could have loved you more than she did. I want you to know you will be in my thoughts and prayers during your time of loss.
