Prayers to John's family. John started coming to our church And he has been a blessing to all of us. Then his family started coming. Then he was baptized. That was really a blessing.

We had the good fortune of an amazing visit with John and his family a couple weeks ago! As always John was present, generous, and overflowing with Love and appreciation for his family and friends! John was a blessing in our lives and will continue to be as we embrace our memories of him and look to his comfort and wisdom in those times of need, today and forever. Peace be with you and your family Kathy.
