“ *I met John on a Vrooman job 20 plus years ago. From that time until he retired he put a lot of food on my table with his recommendation. Beyond that he became a friend that i treasure. I've had some pretty serious talks with him over the years and seen him cry more than once. I always admired him because he could cry. Some would say that's a sign of weakness. Not so with John. I will miss him. Bruce Exum*
