

Jonathan David Mosser

March 9, 1970 - June 25, 2025

Jonathan David Mosser was born in Minot, North Dakota on Monday, March 9, 1970, to Frank and Ione Mosser. On Wednesday, June 25 of 2025, he departed at the age of 55 from his earthly home of Broken Arrow, Oklahoma, to forever rest with our Lord Jesus.

The youngest of nine children, Jon spent his childhood working and playing on his family's dairy farm, developing a firm work ethic and deep passion for the outdoors that stayed with him his whole life.

He graduated from Velva High School as an impressive basketball player and drummer, and from Minot State University as an even more impressive man. Jon courageously took on the duty of a soldier and joined the United States Marine Corps, during which time he met his beloved wife, Kimberly Tredway. They were married in Yorba Linda, California on November 8, 1997, starting their family and his 26-year-long position as a Special Agent with the FBI soon after.

Jon was not only a fearless and diligent leader to his team, but a patient and loving leader to his family. He was known as the protector of the neighborhood, and as a strong yet gentle man with a deep love for nature, woodworking, Tetris, and Christ.

Not only did Jon love his Lord, but he served as an inspiring example of Christ's gentle heart, strong mind, and sacrificial nature for the betterment of those he loved.

Jon lived to make this country a safer place for all. He lived for his friends, his

family, and his dogs and cat. He lived as an inspiration for all who met him until he departed to rest forevermore.

Survivors to share his memories,

Wife, Kimberly Mosser of Broken Arrow, Oklahoma

Children, Alex Mosser and Megan Mosser

Oklahoma Parents, Dr. Donald and Donna Tredway

Preceded in death by parents, Frank and Ione Mosser, and niece, Rachel.

“ Jon and I worked together the last couple years and he was exemplary in every way; as a professional, and as a person. I am so very sorry that Jon departed so young, and I wish I could have gotten the time and opportunity to know Jon better. My sincerest sympathies to Kimberly, Megan and Alex.

“ John always had an incredible sense of humor and an amazing passion for the Marine Corps, FBI and most importantly his family. He could always be counted on to get the job done no matter the circumstances, and could always be relied upon to add levity to a tense situation. His character and leadership in the FBI was an example to all, and his integrity was unmatched. Semper Fi brother, and God Bless the Mosser Family.

“ Jon—my old Marine buddy. Always on board with the gig line. All uniform parts in perfect order. I remember we were bringing an old Hollywood guy in for being a bad boy. I asked him who was the most beautiful actress back in the day? Ava Gardner or Rita Hayworth ? He said, Rita Hayworth. I haven't thought of that since it happened. I miss you Jon. God Bless

“ *I was heartbroken to hear the news of Jon’s passing. I had the privilege of working with Jon, most recently just last month in South Africa, and I want you to know how saddened I am by this loss.*

Jon was truly a joy to be around — knowledgeable, easygoing, and always kind. He brought a calm and confident presence to every team he was part of, and I always looked forward to working with him. His no-ego demeanor and thoughtful approach made him one of my favorite colleagues.

Please accept my deepest sympathies. My thoughts are with your family during this difficult time.

With heartfelt condolences,

Tom Clawson
