“I remember Joyce as the first friend I met at Camp meeting. I was reserved and shy. She was not! She was a precious soul. May God give Wayne and her dear children the peace only he can give. See you later girlfriend.

“Joyce and my little sister Lou Ann were the best of friends, and I enjoyed watching them grow up in Hickory Grove. Joyce was a precious spirit, even as a little girl...such joy & love in her heart. I don't think I ever saw her without a smile on her sweet face. I know she endured much these last few years, and I also know she was welcomed with open arms by our God. We have loved her always, and we are praying for comfort for her precious family. Sharon Whipkey Watson

“ Where do I even begun with the memories we’ve shared. From young girls at Youth Camp together to singing and playing the piano together at church and at her home with friends, it seems our lives were constantly together. The many laughs we have had at each others expense could not be counted. She could laugh her way through the most trying times. My heart hurts to see her go but my spirit rejoices that she has made it to heaven. They’ll know she’s there because of her laughter. Prayers to Wayne, Shane and Shawna. Love to all.
