“ *My thoughts and prayers go out to her brother, Hugh, and the family. Joyce was a dear friend over the past couple decades. She had such a loving heart and generous soul, always ready to help anyone in need. I will always cherish our friendship and am going to miss our times together; playing games, finding new places for lunch, shopping excursions, long talks, pulling shenanigans together and just being there to lift each other up. We were the sisters we never had and Joyce was a special part of our family in Broken Arrow. I know you are dancing with the angels now, but I am sure going to miss you, my friend...until we meet again. Love you, Diane*
