“ We have known Juanita for 48 years when we were all single and in our early 20's. Life has taken us together through all the cycles. It is hard to believe she is gone and will be missed more than anyone can imagine. She hid her pain and suffering from the outside world but not from me as I went to those Dr. appts. She had too many complications from diabetes to overcome. She was a brave sole that kept charging on with a smile. She is gone but the memories we shared with Juanita and Glenn will go on and be cherished.

“ Juanita and I met 40 plus years ago when I came in to do her clients while she was on maternity leave. She's been a traveling buddy to crafts shows in Arkansas with Claire and I as well as part of our Bunco group.
Juanita will be greatly missed by many.
A few years back she gifted George and I with a peach tree she started from a seedling. I have officially named her "Juanita " and as I peer out my back door and see her, I'll think of my friend. RIP until we meet again.

“ Juanita was an excellent support and navigator when I was a youth leader at Trinity Lutheran Church. She could process great solutions to the challenges we faced and had a memory like a steal trap. When I couldn't remember where to turn to get back to the hotel at National Youth gathering, she knew exactly where to go without a map. I loved her advice, her smile and her laugh. She didn't get upset but would figure out a solution to whatever we needed. Miss Juanita, Rest In Peace. I am sure Glen is happy to have you back and it wouldn't surprise me if you have a youth group going in heaven. We love you. Our prayers are with your family. Miss Becky
