“ *Nana was an angel that walked on earth. She always had a smile and a hug for us, my favorite memory of her was when I had my wisdom teeth pulled she made my most favorite potato soup! She was thoughtful, kind, loving, and the best grandmother my best friend could ever ask for. She will be missed by all who were blessed enough to have known her. Sending all my love & prayers to her family as the Lord welcomes home one of his finest angels.*

“ *Juanita was such a positive energy. Always smiling and just a joy to be around. I know that the family is going to miss her so much here on earth, but we know how happy she must be to be back in the arms with her Bo and celebrating with our Lord. I feel very blessed to have known her and to have shared family celebrations with her. We will never forget her smile.*

“ *Juanita or Nana as most people called her was a very special lady. She had the most beautiful eyes that just sparkled and would light up any room. You could not keep from just loving her. What a kind friend. I only wish that I could leave the same impact of a memory and friend as she has.*
