“ There are many memories of Judy for me.....most of them in her kitchen. She was always preparing something yummy to eat for her "boys". She constantly had a smile on her face and as long as she was surrounded by her family she was one happy Momma. She would speak proudly of all her boys but never hesitated to discipline them. Consequently each and everyone of them are the most polite and compassionate men you will ever meet. A great Legacy for a Beautiful Woman with a kind and caring heart.
