“ Iloved my Aunt Judy we would talk once a week on the phone she loved to speak of all her memories and things she did. She really missed her 2 sisters and when I ask her to be my 2nd Mom when my Mom her sister Joan died she said it would be an honor! I could tell my Aunt anything my feelings hopes and medical issues. She always prayed for me She liked how straight forward and honest I was The day before she passed she saw me and said Michele you are so beautiful since we had not seen each other for years. She wanted me to cut her nails put makeup on and rub her with nice lotions which I did when I took care of my Mother which never happened on Saturday. It was too late. I really believe she waited for me to come down to Oklahoma I loved you so much my 2nd Mom Tell all the D'Addario's I said hi! And love them too! God bless and rest in peace. Michele
