Judy holds a very special place in my heart. She shared her love many years ago. That Love has United us forever. She's more like a sister than just a friend, though she is that, too. I am deeply saddened that her last year with us was a brave struggle against a foe that wins to often. I am thankful she fought a good fight and finished the course and now is peacefully at rest in Jesus, with no more pain or suffering. Judy was a wonderful person. It was a gift from God to know her and love her. She will be missed. She always remembered our family at Christmas. Often she sent a fresh pine wreath, or a box of goodies with a kind greeting. She was so generous and thoughtful. I look forward to seeing her again when Jesus comes to claim his own. May his love comfort those who were a part of her life and mourn her loss. God bless you abundantly.
