“ *Linda, it was with great sadness that I read of your mom's passing... We just returned to town today and read about it in the paper. It was truly our privilege to be your mom and dad's neighbors for many years. I'll never forget when I first moved in next door, they were so quick to introduce themselves and I liked them immediately!! We hated to see them move to Presbyterian Manor, but realized that the move was in their best interest. We had many opportunities to see and visit with your mom when she and a number of ladies would make their weekly visit to McDonalds. Please know that both your parents will always hold a special place in our hearts. Our thoughts and prayers are with you and your family.*

“ *I can remember the fun times with Gus, Judy and Linda, the Davis's and the Harr's. Judy was always full of life and happy. Now she is in Heaven and happy to see Gus, Mom and Dad and all of her many friends! Jerry Ritter*
