“ *Julie was one of my preceptors when I started working at the Black Hills Surgery Center in Rapid City, SD. She was a great teacher and became a wonderful friend.*

We loved camping with Julie and Rick and getting together for meals, games and even a wood chopping event at our home near Custer. We kept in touch after we moved back to Minnesota and had several visits over the years and even finished a Phase 10 game that started in South Dakota several years later in Minnesota. Julie fought a courageous battle and will be missed. Prayers for Rick and Julie's family.
