“ To All who knew our dear mother,
Thank you for your support, your friendship and for your prayers. It is with a very heavy heart that Jeanne and I say good bye to our mom, but we rest assured that she is free from the health struggles that had been part of her life for more than 5 years. I had the honor of spending a great deal of time with mom over the last several years and I thank God for each memory. She was a woman of great faith and grace. I will miss her but rejoice in knowing she is with Our Lord in heaven.

Pam and Jeanne, I never met you but my mother, June Pierce, became friends with your mother when they lived at Town Village in Tulsa. There were three Junes there and they enjoyed being June #1 and June #2. I enjoyed meeting your mother when I was in from Colorado to visit mine. My mother and I both read your mother's study on angels. We lost our mom in September 2012 and I stopped in to visit your mother at Aberdeen Heights when I was in Tulsa the next May for a nieces graduation. She meant a lot to my mother and we stayed in touch for a little while after she died as our mother would have wanted us to. What a woman of faith she was and she lived it out loud for all to know and see. I was thinking of her today and searched by her name on the Internet to see if she might have passed on by now....sure enough, just a month ago. Take great joy in knowing you will be reunited with her in heaven one day. She must be so thrilled to be in the presence of the Lord! I'll lift up prayers for all of you who miss her so.

“ Pam - This is Dotty Bean. I live at the Methodist Manor here in Tulsa now. I haven't gotten to talk to your mother any since we retired from Chevron. I really did enjoy knowing her and being her friend. We had lots of good times together. I can even remember shopping with her during our lunch hours. Those were such good times.

I am so sorry to hear of her passing. Know that I will be thinking of you, your family and all of her friends when you have the memorial service on Wednesday.

Sincerely,
Dotty Bean

“ There are no words to express the love my dear friend shared with all of the FIWT group. When I became a member she couldn't speak but she made her self understood. What a lovely woman of God, with grace she accepted each change that became part of her life. I told her "when it is my time to walk the same valley, I want to be just like her".
