

## June Rose

November 8, 1937 - January 4, 2021

Elva “June” Rose was born in Okemah, Oklahoma on Monday, November 8, 1937, the 2nd oldest of five children to Dewey and Dora (McConnell) Green. She passed from this life to her heavenly home on Monday, January 4, 2021 in Tulsa, Oklahoma.

June grew up in Okemah, raised by a stay-at-home mom and a dad who worked for the Oklahoma Highway Department. She graduated from Okemah High School in 1955. During her sophomore year she was out with some girlfriends on a Friday night when a dashing young man named Roger caught her eye. He and some buddies were “dragging” Main Street. She and Roger dated for over two years before marrying on October 16, 1955 in Okemah. They moved to Tulsa for him to begin a new job.

June attended Beauty College and worked as a hair stylist for over forty years while raising two wonderful children. She was very talented and creative, enjoying painting, arts and crafts, ceramics, and singing in the church choir. June was always very stylish and “dressed to the 9’s” as her children put it! A very gracious lady, she loved to help anyone in need. As a family, she and Roger made sure to instill the love of travel in both of their children. While growing up, they visited all 50 states. She and Roger traveled to over 13 different countries but Hawaii was their favorite destination, visiting there a dozen times through the years.

A great cook, her family remembers her chocolate/peanut butter truffle, pumpkin roll, and rhubarb pie, as well as her chicken and noodles, all made from scratch. She collected dolls, tea cups, carousel horses and Beanie Babies. She and Roger were long time members of Elks Lodge #946 in Tulsa as well as the Garnett Road Baptist Church in Tulsa. She will be truly missed by all who knew and loved her.

“ My first encounter with Aunt June was in 2003, I contacted her to tell her that I had found my biological family. I am her brother, Dewey's daughter. A child he never knew about. This was extremely difficult for me as I had witnessed other biological children reaching out to their bio families that went very badly, I risked rejection but all I got was love. Lots and lots of love from Aunt June and Uncle Roger! My youngest son (who has a uncanny resemblance to my Father) and I traveled to Tulsa in April 2003. Aunt June being the always gracious host arranged a family get-together so we could meet everyone. I thought I was going to faint from my anxiety but the meet and greet was really successful. Aunt June, Aunt Janet and Aunt Ruby were wonderful to me. I will never forget or probably experience the arms wide open love that I've experienced from this family. I've selfishly cried all week not wanting to lose my Father's only surviving sibling. All of my family is wonderful and I'm so blessed.
