Tribute Wall

“ His family, Marvin, Colleen, Steve, Paul, and John were great friends of ours while all 6 of us children were young into our adulthood. I remember Paul being involved in our Church when I came home from University in '81. Our College And Career. Sunday School Group held some Home Bible Studies for awhile. Paul was younger, so I knew his brother Steve a little better. They were all really good people. My heart goes out to John.

“ He was always so fun to be around. We were having some special service at the church and there were several at the church working. I took some tuna fish sandwiches for lunch. He just went on and on about how good they were. He almost proposed if I promised to make those sandwiches. We just laughed and laughed over that. He will be missed.
