“ *So sorry to hear about Kathryn. We were best friends grade school through high school. We then shared an apartment in Oklahoma City. We had some good times and great friendship. I have not seen her in many years but have thought of her numerous times. I will get to see her again in Heaven one day. All our love and prayers.*

“ I was so sorry to hear about Kathryn. She and I were best friends in high school and even moved to Oklahoma City together after graduation. We were probably the two most naive girls to ever hit the big city! Unfortunately, we lost touch when she moved but I have thought of her often through the years. She was a good friend and we had some great times together. I always admired her unwavering Christian faith and I pray that you will be comforted knowing that you will one day be reunited. God Bless You.

“ I am so sorry to hear about Kathryn. She was one of my best friends growing up in Checotah. My favorite memory is our passion for the Monkees! Makes me smile to think how obsessed we were with Davy! She was always a good Christian friend and we had several discussions about our faith. I hope to see her again in heaven.
