“ I went to church with Kendra and BJ and Pastor and Mrs Watts. Kendra is one of the sweetest people I have ever known. She always had something good to say or an encouraging word. May God comfort her family and may the Peace of God that surpasses all understanding be upon them.

*To the Watts family my condolences to you and your family during this time of bereavement. I remember Kendra most from Step Team . She was the quiet one , but when she spoke she was heard loud . She offered her expertise in choreographing new routines. I will remember her by her peaceful spirit that she always displayed to all .*
