

Kenny Easton

December 3, 1957 - January 3, 2022

Kenneth Edward Easton was born in Midwest City, OK on Tuesday, December 3, 1957, to Thomas Gerald and Carol Lynn (Holland) Easton. He passed from this life to his eternal home in heaven on Monday, January 3, 2022, in Tulsa, Oklahoma at the age of 65.

Kenny was one of three children. He moved around a little bit in his early years, but the family moved to Tulsa at a young age, and he graduated from Tulsa Memorial High School in 1976. From his early teenage years, Kenny evolved into a skilled Carpenter. He began framing houses and other craftsman work and eventually started his business, Frame Tek, over 35 years ago here in the Tulsa area.

Locally, he had been a member of the Tulsa Home Builders Association and the Oklahoma Camaro Club. Kenny's charitable heart was connected to Tulsa's Little Light House. For the last decade, he has designed and built ADA compliant playhouses to raise money for the organization's mission.

He had immense love for his family. Kenny enjoyed sharing in sports, entertainment, and traveling. He had a solid relationship with Christ. He would two-step with you to any Garth Brooks song, visit Las Vegas (or old people's Las Vegas, Branson) any month of the year and take on the challenge of a game of foosball at any moment of the day.

Kenny was the father of two sons and three daughters. He recently married his beautiful wife, Cheryl Bryan, on January 25, 2020, and received one stepdaughter. He also has two stepsons from a previous marriage. He referred to all of them as his “bonus kids”.

He will be greatly missed by all who knew and loved him. He did a wonderful job at surrounding himself and his family with amazing people.

Left to cherish his memory are wife, Cheryl, of the home in Tulsa

“ Kenny was a special and unusual guy. He was generous and kind and stepfather to my grandkids, Blake and Nick and dad to Kelley.

I never got to meet his new wife, but I hold her and his family in my thoughts and prayers. Kenny has left large footprints for others to follow. May he have eternal life.

“ Kenny came along and made Cheryl's world complete. He was a fun person to be around and we enjoyed many fun times with them at family game nights and oh those Replogle fish fry's! He left us way too soon and no one can take his place. We want all of the family to know how much Kenny meant to us and we hold all of them in our prayers. We love you and are here for you.

“ Kenny was talented, hard working, generous, and loved to make time and talk. I respected him and trusted him because he earned it. Yet, he was humble enough to ask questions and teach. He gave more than was expected and made time when it was needed. Kenny will be missed greatly but I know I will see him again.

“ Kenny was a super talented individual. His team's work on the Little Lighthouse Playhouse was amazing. He was a client and customer for many years at our business. Sending prayers to his family in this difficult time.

“ Although I have not seen Kenny for decades, he was one of the good ones.
We shared Christ many times and I know for sure where Kenny is today.

“ My husband, Mark Hartje, started off in his successful framing career by working for and learning from Kenny. Kenny taught him so much and cared about Mark. Kenny always had bigger vision than the average person. He is a household name in the Hartje household and we are deeply saddened by his unexpected death.
