“ I loved going to the dentist because of Kim. She and I always talked about our love for animals. She even remembered my dog's name. She was the kindest person and always had such a sweet, happy disposition. I am so saddened to hear about the loss of such a wonderful person.

“ Kim was such a wonderful, kind soul. I looked forward to going to the dentist because she and I would talk and laugh while she cleaned my teeth. Such a loss - my heart goes out to her family, friends and coworkers.

“ Austin, the Weaver's are sending so much love to your entire family. Kim was not only our family's hygienist but she was a friend. She was such a beautiful loving soul, and leaves such a legacy for her family. I am so heartbroken learning of this today, all our love, Jeff, Kathy, Drew, and Jenny 🥹

“ Kim & I met in High School & became good friends. She was always one of the kindest, sweetest & most beautiful people I knew. She always had a smile & was truly a good friend. From high school classmates, to playing tennis, spring break in Florida, college roommates & sorority sisters, we shared lots of fun times & great memories. We kept in touch via Christmas cards throughout the years & reconnected with Facebook many years ago. My deepest sympathy to Dr. & Mrs. Sellers, who always treated me as one of their own, and to her dear brother Jimmy & his family, her children, their families, her dear grandchildren, her extended family, friends & her beloved pets. May you each find peace & comfort in your precious memories of your dear Daughter/Mom/Nana/Friend. Kim was beautiful inside & out. She will be forever missed, but always in our hearts.

“ We are so very sorry for your loss. Kim was a beautiful lady inside and out. Kim was like a second Mom to Melissa. Ashley and Melissa were always together. When we moved, Kim let us load up her SUV to take a load of small items to our new home so that we wouldn't have so much to move when the movers came. She was always doing nice things like that. We thought that the funeral was a lovely tribute to both Kim and Dan. She would have been pleased that her children and grandchildren did such a great job, because she loved you all so much. We will be praying for your peace and comfort in the coming days.

“ Kim was our family's dental hygienist. And when I say "family," I mean she treated me, my husband and my kids, my parents and my sister and brother-in-law. But she was so much more than just a dental hygienist to us. Kim embodied sunshine, sweetness and everything that was good in this world. She truly cared about what was going on with us and I always enjoyed hearing about her children and grandchildren of whom she was immensely proud. We all adored Kim and will miss her so much!! Our deepest and sincere sympathies to all of the Schick family on the loss of these two precious souls.

“ Condolences to the family of Kim and Dan. We are neighbors and often saw Kim working in the front yard as my wife and I took walks. It seemed to be a passion for her. We had lots of small conversations, and she was always friendly and upbeat. We'll miss her smiling face in the front yard!

“ To the family of Kim and Dan Schick, I am so incredibly sorry for your loss. Kim and I have known each other since high school and remained in touch. Kim was an amazingly talented person, a kind, gentle friend and a light to this world. I saw Kim right before the pandemic hit and we had plans to get together as soon as we could. Kim made wonderful embroidery outfits for my niece's baby with such love. Kim and Dan will be missed a great deal. You all remain in my prayers, Barb Patterson

“ Kim always had a beautiful smile and loved her family deeply. She would take all four of my children home with her after school including my two year old daughter Amanda! She was truly amazing! Angel on earth now in Heaven.

“ I was childhood friends with her children and she was the sweetest person with the biggest smile. She always welcomed me into her home. It's been a long time since I was in contact with her or her family, but this news is heartbreaking. I sympathize with their family and give my deepest and heartfelt condolences to them.

“ Kim was our neighbor....she was the first to welcome us to the neighborhood, when we moved in almost two years ago....she and Dale came right over to help us move a large piece of furniture into our new home. It was always a pleasure to exchange a few words, occasionally across the street, as we both worked in our yards. Kim and Dale kept such a beautiful yard with beautiful flowers. Such friendly people, who shared our same values of love and family. We are so sad...They will certainly be missed in our neighborhood. Prayers for their families for peace and comfort.

“ Kim and family lived down the street from me when all the kids were at home. I have such good memories of her. She was such a good mom and so kind and friendly to everyone. Her kids were in school and sports with mine so I had several occasions to be around her. She had that beautiful contagious smile.

My condolences to all the kids and grandkids in the loss of your loving mother and Nana. She will be missed by many.

“ *Dear Sellers Family, I am so sorry for the loss of Kim. The loss is beyond words. My heart is broken. She was my best friend from elementary school through high school. She gave me so much strength and love. We shared so many fun times together. She would say 'Come on Woodard' and off we would go together. In 2018 we were able to reunite and even though we were apart for so many years, we still considered each other best friends. I treasure my memories with Kim and her family and will always hold them close to my heart. I pray that God holds Kim's family in the palm of his hand and gives each of you strength to persevere through this difficult time. Much love and comfort to you. Crystal (Woodard) Dowdell.*

“ We are so very sorry for your loss! Kim and the kids were very dear to us. Our kids grew up together and we spent a lot of time together. She loved her children fiercely and every time we got together she was so proud to show me pictures of her grandchildren and update me on her kids lives. And how happy Dan made her! She just glowed since he came into her life and treated her like a Queen. He was her Prince Charming! We are praying for peace and comfort for their families. Ashley, Adam, Austin and Alec...know that she loved you so much and was so proud of you!
