

Kurt Ochsner

August 4, 1961 - September 22, 2021

Kurt Louis Ochsner was born in Springfield, Missouri on Friday, August 4, 1961, to Winston Arthur and Peggy Jean (Fleisch) Ochsner. He passed from this life to his eternal home in heaven on Wednesday, September 22, 2021, at the age of 60.

Kurt was the youngest of three children born to Win and Peggy and had two older sisters whom he loved to tease. The family moved to Tulsa, Oklahoma when Kurt was a senior in high school. He was an active youngster who had a drive to accomplish big things with his life. He played the trumpet in the Renegade Regiment Marching Band at Union High School in Tulsa, earned his Eagle Scout Award, and played on Union's baseball team which won the Oklahoma High School Baseball Championship his senior year in 1979. He graduated from Union High School in 1979. Following high school, Kurt attended Oklahoma State University and transferred to Logan School of Chiropractic Medicine in Chesterfield, Missouri where he earned his bachelor's degree in human biology in 1983 followed by his Doctor of Chiropractic Medicine in 1985. He opened his practice, Ochsner Chiropractic Centre, on March 3, 1986 in Tulsa, Oklahoma. Kurt's practice thrived through his hard work, dedication, and commitment to making his patient's lives better and more pain free.

Kurt met Jaxie Laniece Abernathy and fell in love. They married in Oklahoma

City, Oklahoma on June 7, 1986. Kurt and Jaxie have three children. He loved being a dad and led his family to love and serve the Lord Jesus Christ. The Ochsner family was actively involved at Gracemont Baptist Church, First Baptist Church of Broken Arrow, Riverview Baptist Church, and in recent years, Battle Creek Church in Broken Arrow, where Kurt taught in both youth and college Sunday School. Kurt enjoyed choral music and was an active member of the church choir. He remained physically active and played church league softball and golf whenever and wherever possible. He loved cutting up with his playing partners and picking on them - all in good fun. Kurt loved the outdoors and was an avid hunter who raised champion English Setters and Pointers, running them in field trials across the country.

Kurt's family describes him as hard working, energetic, faithful, and fun loving. He was a man with a big heart who was benevolent and generous. Both his friends and patients know that he loved to joke around at home, in the office, and anywhere else you found him. He will truly be missed by all who knew and loved him.

Left to cherish his memory are his wife Jaxie of Bixby

Daughter Hunter Nicole Beless and husband Brooks of Cave Springs,
Arkansas

Daughter Alexandra Jordan Ochsner of Bixby

Son Drake Winston Ochsner and his wife Chelsea of Tulsa

Grandchildren Hadley Grace Beless, Davy Kathryn Beless, Bo Elliot Beless,
and Dietrich Winston Ochsner

Mother Peggy Jean Ochsner of Tulsa

Sister Kristy Lee Farmer Workman and her husband Bradley of Edmond

He also leaves behind a host of nieces, nephews, cousins, and friends - too many to even try and count.

He was preceded in death by his father Winston Ochsner and sister Kay Higgs.

In lieu of flowers, Kurt's family is requesting donations in his name to tC Egypt which is a Christian Organization that exists to serve the Christian population in Egypt and the Middle East. They operate with the understanding that this Christian population, the largest in the Middle East, is the door to reaching the rest of the Middle East with the Gospel.

tC Egypt is a community that believes in the healing power of Jesus, provides a shame-free space of healing, prayer, and discipleship nurtured by the young people of Egypt; a community of people who feel they have no place in the established church tradition, those who post-Revolution feel they have been relegated to the sidelines, and are looking for a place to make sense of their pain and find freedom in Christ. tC Egypt believes that Christians in Egypt are uniquely positioned to create a lasting impact in the region and it is our goal to support and equip them in this endeavor. Because of this, the Coptic Christians are indeed a sleeping giant in the Middle East; if their hearts would be awakened to the truth of scripture then the power of the Gospel will sweep through Egypt and into the Middle East.

“ *First of all my condolences to the Ochsner family, I was a long time patient of Dr. Ochsners, no matter how much I hurt when I would go into his office I always felt better when I left there. I will miss him not only for his skills as a Chiropractor but also for the type of person he was. we have lost a very,very good man.--Jim Brady*

“ *I was a classmate of Kurt's at Logan. He was a friend during those Logan years, he was always upbeat and enthusiastic! He was excited to get back to Oklahoma and start a practice to help people. He was a positive person and if you were around him it picked you up and got you motivated! My thoughts and prayers are with Kurt and his family, I know he is missed.*

“ Oschner Family,
I only met Dr. Oschner a couple times when I went to his clinic for chiropractic care.
I immediately connected with his expertise, and more importantly to me, his care for me as a patient. Having not lived in Oklahoma long, I connected with Dr. Oschner as we talked about golf, hunting, and places to go in the Tulsa area. I considered him a true friend.
I am so sorry for you loss.

“ Kurt was one of the finest young men I ever had the opportunity to have in class. Can you imagine Kurt Ochsner, Daryl Watkins, Ricky Bewley and Tammi Irvin Garcia in one class? There were very few dull moments. I just wanted to take a moment to let you know what a privilege it was to know your husband, dad and granddad, even if our time was staggered. Please remember. He was a bona fide Shepard of the lord and he was responsible for delivering dozens of people to the Lord.

“ Kurt would have enjoyed this celebration of his life. This was wonderful. Jaxie, I pray you will focus on the positive impact he had as a husband, father, and chiropractor to many of us. I'm so sorry I missed being with you today in person, but I know the church was packed with those who loved him and you. Hunter, Alex, and Drake, live your lives like your dad did his, adding value to so many others' lives that he built a legacy that will live on in your children. Love, blessings, and prayers for you all.

Beautiful video, My prayers for all who loved Dr O! Being a patient at Ochsner Chiropractic was such a blessing. We have moved away from Tulsa now and miss this place especially and all the Wonderful folks who work there. Dr O was always so genuine in his greetings and always had a fantastic smile on his face. My heart breaks for his family.

Such a beautiful collection of pictures reflecting a life well lived. Heaven has gained a Man of God, and we have lost the presence of that man in our realm. “ *Kurt has been a trusted colleague and friend since we first met at a seminar over 30 years ago. Whether in the class room, in the hallway, or over lunch, he was always not just fun to be around, but also a trusted source to discuss difficult cases with, or to strategize with concerning insurance issues or state association concerns. You always knew he would give you his best! We also shared many patient's over the years as they moved back and forth from Tulsa to OKC, Anyone he sent me, I always knew I would likely be their second favorite chiropractor, for it was very difficult to make a deeper impact on a patient's life than Kurt did routinely with his patients. Every patient he sent me simply just loved him as their chiropractor. He will be deeply missed by an untold number of people, myself included. We are praying for his family that they may find comfort and courage during these coming days.*

“ Kurt & I met at OU in our freshman year and we lived down the hall from one another in Walker Tower. We had the best of times and tons of memories and laughs. I never stayed in touch with Kurt after he moved on from OU, but those college freshman memories are priceless. This is very sad for me. My prayers go out to his family. “ Our hearts are sad at Kurt's passing. Such an early age and so much more life to enjoy. But we all know it is Joy and Happiness and Peace to be with the Lord.
I was a patient of Kurt's and he helped me a lot with my aches and pains.
The family is precious and I have good memories of hearing Kurt sing with his Mom, Dad and Christie at our church.. We will always remember him and his sweet family

“ I send my sympathy to Dr. Ochsner's family. He took care of my back many times as a patient and he always had a caring smile as he greeted me and others coming into the church building at Battlecreek, but most of all he always asked me about my son and said he was praying for him. He was caring and genuine in his ways. I know you will deeply miss him, but we do not grieve like people with no hope. Peace and comfort to your family.

“ My deepest sympathy goes out to Jaxie, the family and staff at his practice. Dr. O will never be replaced in my heart. I want to convey a story that Dr. O questioned. My husband and I were in a bad car accident. The ambulance arrived and told me that I was in shock and needed to be go to the hospital. I insisted that I was just fine and refused to go the hospital. My friend came to rescue us since our the car was totaled. I told her to drive me to Dr. O's. He would know what to do. I trusted him more than the ER department. She didn't want to take me, but I insisted. That is the faith that I had in him. When I saw him, he asked me why I came to him instead of the hospital. I simply told him that I knew he could fix me and I'll be fine. End of story, I made the right decision. He was a phenomenal doctor and friend. I count my blessings everyday that he came into my life. Along with all of his other patients and friends, I will truly miss him. Judy Garrett

“ I met Dr. Ochsner several months ago as a patient for chiropractic care, and as soon as I walked into his office, I knew I was in the right place. Greeted by smiles and kindness by everyone there, Dr. O's entire office gives a feeling of great "Family Love"! Dr. O always had a smile on his face and a hug to give. We talked about his beautiful wife and his 3 lovely children. We talked about his love for his dogs, hunting, and golf. But mostly you could tell he was a man of Faith and that he loved Jesus! Dr. O, I did not know you very long, but you touched my heart, RIP my friend! I know you are now telling your stories to Jesus! Hugs and Prayers to Jaxie, Hunter, Alex, and Drake and the entire family.

“ I will forever know and refer to my friend Kurt as Ox. I first met Ox at Gracemont Baptist when I was a young high schooler and he was a young youth group leader...been friends ever since. Shared many hunting trips and rounds of golf over the years. Ox was always a positive guiding light in my life, as I'm sure he was for so many. Hard to believe he is no longer with us but I know without any doubt that he is in PARADISE watching over us and showing others up there how to bust a covey over a gorgeous pointer or how to hit a draw from a tight lie on a beautiful golf course. Ox, I love you brother and know we will meet again.

“ I’ve known Dr. Ochsner for close to 20 years. It broke my heart to hear of his passing. He was funny....compassionate....with a “come along side and help you” attitude. What I will remember of him is the day I went in for my appointment and told him I had messed up by back when I was grooming our English Springer Spaniel. I explained that I had sat on a footstool to groom him and he said “No! You can’t do that! I have a grooming table in my attic that I will bring in for your next appointment.” And he did.....even loaded it into my CRV. I’ll never forget that....rest in peace my friend.....

“ Dr. Kurt Ochsner was one of the most outstanding people I have ever known. We were close friends and classmates at Logan College of Chiropractic. I still remember the day at school he told me he had met the most beautiful woman whom he was going to spend his life with, her name was Jaxie. Kurt and I did everything together at Logan.

Throughout the years we have talked chiropractic, life, children, grandchildren, family.

I will carry Kurt's memory in my heart and soul for the rest of my life.

God bless Jaxie and the family through this time.

Until we meet again my friend.
