

Kyle Rhodes

September 18, 1967 - January 28, 2022

Kyle Dwayne Rhodes was born in Tyler, Texas on Monday, September 18, 1967, to Harold Martin Rhodes, Jr., and Carol June King Rhodes. He received his eternal reward when he passed from this life to his eternal home in heaven on Friday, January 28, 2022, in Tulsa, Oklahoma at the age of 54.

He was one of three children born to the Rhodes family. Their father had a sales career, so the family moved around when Kyle was younger, but they settled in Tulsa, Oklahoma by the time he was in junior high school. He graduated from Union High School in Tulsa in 1986. During those high school years Kyle was in a typing class and a certain young lady caught his eye. He and Angela Davis dated for four years and then married on January 30, 1988, in Tulsa, Oklahoma. Kyle was always active in sports growing up – he participated in basketball, swimming and ran track. In high school he played football. It was during those years that he got involved in competitive body building.

Kyle was the ultimate family man. He loved his family fiercely. That love went beyond Angela and his two children to several pets through the years. He was especially fond of a dog named Champ. Their current canine children include Bilbo and Sassy. He remained close with his parents and siblings through his entire life. He earned a reputation as the BBQ Master of the family. Kyle loved to cook for them and often shared recipes and talked cooking with his mom.

He was a supportive father, coaching his kids' sports teams and continued working out and focusing on health and fitness for both himself and others. He was a 2nd Degree Black Belt in Taekwondo and participated on teams that showcased their abilities using that platform to preach the gospel to those in attendance. He loved his sports teams: Dallas Cowboys, Texas Longhorns, and the Los Angeles Lakers.

But most of all, Kyle was a man after God's own heart. He loved people, shared Christ with them passionately and prayed for friends as well as strangers he met along the way. He will be missed by all who knew and loved him.

Left to cherish his memory are his wife, Angela, of their home in Broken Arrow
Son, Dustin Rhodes and his significant other, Kelsey of Broken Arrow
Daughter, Chelsea Mahan and her husband, Austin of San Antonio, Texas
3 Precious Grandsons, Donny, Henry, and Theodore
Parents, Harold "Marty" and Carol Rhodes of Broken Arrow
Brother, Alan Rhodes and his wife, Cindy, of Broken Arrow
Sister, Rhonda Raines, of Tulsa
And numerous aunts, uncles, cousins, nieces and nephews

“ I’m so sorry to hear about Kyle’s passing. He was such a great friend to my brother and my memories of him as a teen I will always cherish. Kyle had such a big infectious personality and I’ll always remember that he was the only friend of my brother’s who would say “hi sis” to me in the hallways and didn’t care what anyone thought. I know he will be deeply missed by all who knew him. Sending love and prayers. God Bless, Nalani Anderson (Mike’s sister).

“ Kyle was such a character. We played sports together and he was always mischievous and had that gleam in his eye when he located a way to have a bit of fun at the expense of coaches, team mates or other friends. Kyle was a laugher - finding humor in many things, and was generous in letting others in on the fun. I don’t recall him ever being mean, but someone who cared for others, spoke up for others and found joy in others success. Being a trainer was a perfect job for him - helping people achieve better health and transforming their bodies.

Kyle, thank you many fun and humorous memories. Rest easy and I know you will find new joy and laughter as you reunite with family and friends who have preceded you. You are a good soul and I will see you again someday.

“ *Remember something to everyone who doesn't let loved ones know how much they mean to you. There will be a day you lose the chance to tell them how much of an influence they had on your life.*

My family lost an incredible father, husband, and fiercely strong man of Christ today. There never wasn't a moment with my uncle you weren't laughing so hard it hurt. He raised two incredible kids and that I'm proud to call my cousins, and probably helped more people than he ever knew strengthen their own relationship with Christ through his all around outlook on life through his own experiences.

Uncle Beefcake was as genuine as they came, and it shatters me that I will never get to hear his laugh, or just see him one more time in that recliner of his. We will miss you Kyle, and will always love you. I pray to be as good of a father to my own children as you always were to yours.

Your Nephew,

Christopher
