“ I remember when we moved down from California in 1989 we stayed with grandma Boyd that Christmas uncle Larry made us feel so special he made us go on a scavenger hunt and the final Christmas gifts were some brand new bikes for me and my brother David. That was one of the best Christmas because we never had a new bike and he always made sure we made it to royal rangers and we loved going camping with him he cooked the best breakfast that's why his nick name was chuck wagon and he always made sure we had the best pinewood derby cars that always won trophies I am sad to see you go but I know you are in heaven with aunt Shirley and cousin Teresa and cousin shirlena and the rest of the family you will truly be missed and we will meet in heaven when my time comes love you uncle Larry from Joshua Boyd
