“ To the family of Dan and Kim, I would like to express my sincerest condolences. I knew Dan from working at Continental Resources in Enid and he was a wonderful person with such a big heart, I truly appreciate his spirit and heart. I only met Kim through keeping up with him on Facebook, and you could see how happy their life together had become. Our prayers are with you all, as this is such a tragedy. Their service was beautiful and I know they are looking upon you now.

*Blessings,*

“ I grew up south of Fargo, OK just 16 miles from Shattuck where I met Danny in our high school years. Danny was a special friend and we would often meet up at Ed’s, drag main, and just hang out. When we graduated in 1974 we found out both of us were going to start our college years at Northwestern College in Alva, OK. So we teamed up as roommates in a dorm that was built in “suites” with six guys sharing a bathroom and common area. The stories I have told of those experiences over the last 47 years could fill a book. He was a great roommate and a very special friend! After our first year in college was over our lives went in different directions. I went on to OSU in Stillwater and I’m guessing Danny went on to Southwestern College in Weatherford. Little did I know we would never make contact with each other again until 12 years ago in November 2009 when Danny saw a post I had made on Facebook and he sent me a FB message. We shared updates of each other’s lives on FB and made plans to meet up in OKC in the spring of 2010. At that time I worked a busy schedule in Disaster Ministry for the United Methodist Church and Danny’s schedule was busy too and we were just unable to meet. We did not make a connection again until December 2020 when Danny responded again to another FB post I had made. I responded to him and again we made plans to “for sure” meet in spring 2021 to relive the stories from 47 years ago and share our lifetimes of stories and adventures since then.

Now, it’s hard to express the regret and sadness I feel of not making more of an effort over the years too force both of us to slow down and make the time to enjoy old friends. BUT, “Old Friend” it is great to know someday soon WE WILL be able to meet up with our common friend JESUS and have an eternity filled with JOY and laughter together with all those we have loved in our lives who know HIM too!!!

To Danny & Kim's family, whom I can see by pictures and postings, that they loved you all so much, I send my sincere condolences. I am sorry I was not able to meet Kim. I cannot imagine the pain of losing both parents in such a tragic way. Be assured many people

*are praying for you. I along with my wife Lacricia are praying that God holds your entire family in the palm of his hand and gives each of you the strength, comfort, and peace that only He can at such a difficult time. May the thought of knowing how much others cared for and loved your Dad & Mom also give you comfort and strength.*

“ *Dan and I grew up and graduated high school in Shattuck Oklahoma. We had a lot of good times dragging main and shooting the breeze late at night. Later on we roomed together at SWOSU for a semester. Dan was always very hardworking and dedicated to everything he did. He was a good athlete and He always had some great stories to tell. He will be missed by a lot of people, and my condolences go out to all his family. Rest In Peace Dan.*

“ I first met Dan over 10 years ago when we both started about the same time at CLR in Enid. And we hit it off Great, since we dealt with each other 5- 6 times a day based upon what are jobs entailed. Then when CLR moved to OKC, we both did the same thing and that was keep working for CLR in OKC but split our family up by living here in OKC during the week and at home on the weekends. Enid for me and Tulsa for Dan. I guess that is what made for such a great friendship. So during the weeks in OKC, Dan would be my Food Bank Partner when we would volunteer there for CLR, we would go golfing in the spring and summer, talk about work and have a great time. I know he talked recently on trying to golf again this spring once his knees healed completely and was looking forward to that. We would talk about our RV's, what we did on the weekend on what we were able to get accomplished back home since we only had a few days back. But I never heard him complain. He was a great man, a great husband and father. But he was & always will be a Great Friend. I will miss him Dearly. Rest in Peace my Good Friend.
