

Laura Stacy

March 18, 1970 - April 12, 2021

Laura Lynn Stacy was born in Manistee, Michigan on Wednesday, March 18, 1970, the only child of Dennis Leslie and Kathleen Marie (Tabaczka) Cromer. She passed from this life to her eternal home in heaven on Monday, April 12, 2021 in Broken Arrow, Oklahoma at the age of 51.

Laura was the pride and joy of her parents and grandparents from the moment she took her first breath. One of their pet names for her was “doll baby”. As a young girl, she loved to share tea parties with her favorite doll sitting across the table from her. Her father, Dennis, fixed up a “banana seat” bicycle that did not take long for the training wheels to come off and Laura was hard to catch from that point on. She was active on the debate team in high school as well as an award-winning clarinet player in the marching band, stage band and orchestra. She continued playing clarinet for Ferris State University marching band and symphony orchestra. Even in her adult years even beyond college she played for her local community theatre. After graduating from Manistee High School in 1988, she earned an Associates Degree in Applied Science (Administrative Assistant) and then her Bachelor’s Degree in Business (Office Automation Systems) from Ferris State University in Big Rapids, Michigan.

She always enjoyed camping and vacationing with family and friends through the years. Local lakes and state parks were some of her favorite travel spots.

She met Darol Stacy at the church they were both attending in Grandville, Michigan in 2000 and they began dating. They married a year later on July 27, 2001. The two of them moved to Tulsa, Oklahoma in September of 2011 and made their home here. Laura worked as a Loan Documentation Specialist for Mabrey Bank at their Bixby branch. She was a very conscientious worker and often helped others on the job. Words her family used to describe Laura are witty, fun, kind, gentle, friendly, travel navigator, and beach lover. She loved sunrises and sunsets as well as picking strawberries with her mom. She will be missed by all who knew and loved her.

“ *Laura and I only talked by phone at Mabrey Bank while working to clear any exceptions I might have on loan files but she was always so sweet and professional. I was very sorry to hear about her passing in April. I wish I would have known she was from Michigan, we might have talked about my Czech family that lives in that state. Prayers for her family and her Mabrey Bank family that misses her.*
