“ *Love this picture of Laveren! It is just how I remember her. She was the first person I met when I moved to Midland in 1986. We remained friends all these years - even with all the moves I have made. She was a special person to me, always listening to my good times and bad, and never judging. Just gave an ear and a shoulder to cry on. I already miss all of our talks. Much love to all the family. I hope you find comfort in all of your memories of this wonderful lady. I know I will.*
