“ *Marquieta, Debbie, Tim, Mark and family--we are so sorry for your loss. Lee was a very kind man and always had a smile on his face and a warm greeting for everyone. We pray for God's peace and comfort for all of you. We pray God will sustain all of you now and in the future. Love to you....Glo and "Baldy"*

“ *Lee will be greatly missed. He joined my husband every Monday afternoon, that was possible, and they drove the neighborhood and prayed. They did this for, at least, 3 years. We have seen many positive things happening to verify the prayers of these 2 men.*

Lee was ever mindful of Marquita; always concerned for her, thinking about her. We shared some plants and flowers as we both loved Gardening. Lee's yard was known to be constantly tended and loved, if he was able to be on his feet.

Lee served Tulsa, served Magic Circle, served his family - all in serving his Lord!

We love you Lee and hope to join you in God's good time.

“ I remember when we had completely worn out Bud Burgin and Cliff Adams "Woody" as Softball Coaches, and we needed someone to "step up" and coach us. With Deb being a vital part of our team, Lee was already interested in us, so he hesitantly accepted the challenge. Those years are dear and precious to me. We were a rowdy bunch. Some kids, some moms, some college students, but for the most part, experience Softball players. It was a crazy mixture of fun, competitiveness, and attitude. Lee was always kind, funny and patient with us. I cant tell you how many times he would be coaching third and try and hold us up there as we ran the bases. he would be "cautious and strategic", only to have us blaze past him laughing... he would just shake his head and smile. He promised me we would play in heaven again, and I am holding him to it! Anyone else want to be on the roster??

“ My husband and I didn't know this sweet man very long, but felt after the first visit with he and his wife over at our special friends for dinner, Deborah and Phyllis.....we had known him forever! I loved to sit and listen to him talk about the things of the Lord, memories he had of his journey with Him. Praying for Deb, Phyllis and family. What a joy and sweet memories we have of a man whose love for Jesus shined bright! Heaven is getting sweeter all the time! Harold and Tisha Todd

“ Where do you start when speaking about a great man that treated you like his own. I have known him most of my life and feel honored he treated me like one of his own kids. Even got onto me with Debbie and whoever else we dragged over to their house late at night. He was always giving and kind to me. I even learned to love listening to him talk about the Lord. His passion to save everyone was always his priority in life. You are going to be missed by many, but just imaging his face when he met the Lord has to be priceless. I love Lee with all my heart and all of the Butcher family!!

“ *My condolences to the Butcher family, Lee was, is, and will always be a great man. There are only two things a man really leaves to this world, his reputation and his children. Lee did an unbelievable job with both. He left an awesome legacy.*
