“ Praying for the Hale Family comfort & peace on the loss of their matriarch Leila. She was a beautiful lady inside & out to every one she would meet & always treated you like family. Leila & Roy were my 2nd parents & always had great advise to give if you needed it. There are so many sweet memories that Deb, Leila & I had together! There was this day Deb & I stopped by on a hot summers day & Leila fixed us lunch before we went outside to go jump in the pool (at their old house). Leila topped off our lunch by handing Deb & I each a glass of cold ice tea. We both took a drink at the same time...we looked at each other & ran to the kitchen sick spitting out the tea. Deb turned around & asked Leila what did she put in the tea? Leila said she had heard if you put gelatin in your tea it will make your fingernails be pretty & healthy! I just wanted to see if it was true but I didn't want to try it out so I picked you & Sherry to try it! Deb & I looked at each other & Deb said "don't do that again mom you could poison someone doing stuff like that". Leila was so worried about what she did...she went to her room & came back in the kitchen & gave us both \$20 each in case we really got sick later on in the day!! Deb & I always reminded her of the day she tried to kill us....of course we all were laughing so hard! Love you Leila & I know that you are so very happy to be reunited with your true love Roy, daughter Debbie & grandson Brent & your mother! Thank you for so many beautiful memories! See you one day soon! Sherry Sparks
