

Linda Brown

April 18, 1951 - January 18, 2020

Linda Carol Brown passed from this life to be with her Lord in the early morning of January 18, 2020. She was born in 1951 at Tulsa, Oklahoma to parents Ralph and Patsy Green. Linda graduated from Broken Arrow High School and then earned her Cosmetology License. She worked in a number of salons in Tulsa and Broken Arrow; however, she often said one of her most rewarding experiences was assisting cancer patients who had lost their hair through chemo. Linda helped the patients choose a wig and showed them styling and makeup tips for a great new look. Linda later worked in jewelry sales at JC Penney, Helzberg Diamonds and Star Jewelers. Most recently she worked in purchasing at ELT and inside sales at Western Filter. She loved her coworkers and truly enjoyed her work life. Linda was an active member of Northside Christian Church, and cherished her small group and countless others with whom she worshipped and served.

Linda was preceded in death by her parents. She is survived by her daughter, Kimberly Dawn Wilson Tanner, grandchildren Toliver Tanner and Teagan Tanner, and brothers, Gary Green and wife Huetta and Greg Green and wife Janet. Also surviving are nephews Matt Green and wife Tracey, Justin Green and wife Jessica, Brett McKinney, Michael VanZant, nieces Amy Smith and husband Ben, Amanda Hansen and husband Cory and Kayla VanZant, along with great-nieces Brantley and Blakley Green, Jordyn and MaKynna Smith, and great-nephews Wiley Hansen and Westyn Smith. Also left to cherish

Linda's memory are uncles, Troy Cospers, Charles Cospers and wife Shirley, Perry Green and wife, and aunt Peggy Peters and husband, Robert, along with many cousins and cherished friends.

“ *I was a year ahead of Linda in school, but I will always remember how sweet she was. Before she became ill, we would run into each other at Reasor's and always have pleasant visits. Linda was so pretty...and that smile! I was happy to find out that the neighbors that we loved so much were her nephew, Matt, and family. The last time I saw her, she was shopping with Matt and Tracy. Her hair was gone but her pretty face could hide that... still smiling and joking. That's the way I want to remember her.

“ I never got to personally meet Miss Linda, but we had a very pleasant vendor/customer relationship over the phone and by emails. Linda gave the best advice ever for "cough syrup", that I still us to this day. Let's just say - it leaves you with a fresh cinnamon breath! I know her family at Western Filter will miss her, as we at Royal Filter Mfg. will. Such a sweet lady to know, if even just by phone and email. Rest in Peace Miss Linda, you will be missed greatly.

“ *To: Western Filter Employees*

We lost Linda Brown, my long time secretary and true friend. Linda past away Friday night after battling ovarian cancer since last Spring. Linda was hired by Western Filter on April 18, 2005 on her 54th birthday. She was 68 years old, working on 69.

Linda was always there to help anyone in the company and any friend. She was a great and loyal employee of Western Filter and did a great job for me until she had to leave the company last Spring because of her disease. I know all of us in the company, all the vendors and customers will miss her!! She was just a terrific person to know!!!

I am sorry to have to deliver such tragic news but we will go on!!

Respectfully,

*Chris Lindenberg
