“ *I was fortunate to have known Linda for many years, including our high school years. We grew up in the same neighborhood and her sister married my cousin. I remember Linda always with a smile, always! She was a kind and good person. My deepest sympathies to Jim, Pam and Jerry and the rest of the family.*

“ *Linda had so much joy that she freely gave to others. Her laugh and wit endeared her to all of us blessed enough to call her friend. Her light will be missed here, but will shine brightly in Heaven...completely healed! See you later, sweet friend.*

“ Linda and Jimmy were a package deal from Day one. They could always be seen at anything BA. Linda was always so cute with her feisty hairdos. Her sister, Pam, and I were classmates. Linda was one of the few big sisters that was nice to us. Those memories seem like yesterday. RIP, sweet girl.
