“ *Heaven gained an angel yesterday; I miss you so much Linda and you have been in my prayers every night asking for healing. I know there has been a great celebration with your loved ones - Jack, Lance, your little sister, your parents and countless others. You were always a wonderful friend who cared about others and gave great advice from your vast wisdom of knowledge. Of course, I just adored you and Jack (he was my boss for over 35 years) and you both treated me so well with so much respect and many laughs. Bless you Linda; you will not be forgotten but remembered with great fondness. Your friend and buddy,
