Linda was a favorite to amongst her fellow nurses and co-workers at Saint Francis. She was a fabulous nurse and an even better friend. Linda always had a smile and a kind word. She was such a steady presence, and we relied on her daily. Outside of work Linda was such fun to be around...full of laughter and joy. We all wanted to be just like her!

Those of us in OPAD at St. Francis Hospital loved and respected Linda so much. She was a quiet force to be reckoned with, an excellent nurse! After her retirement, she continued to join us at retirees potluck luncheons. My favorite recipe I have of hers are the German Chocolate Muffins that I have made many times. Rest in Peace. You will certainly be missed.

Linda was an excellent nurse, beautiful lady and a great friend for almost 40 years. We worked together on two different areas at Saint Francis and were very close. She was always very dedicated, always there to listen, offer a hand to anyone and most of all loved her family. She will be missed by all of us. Thoughts and prayers are with her family.
