“ I had the privilege of working with Lisa aka "Bart" for a little over a year. She would kid around and say that she was "mean as a snake" but that could not have been further from the truth. She would always ask about my kids and family and loved to hear stories about our dog Max. She had a heart of pure gold and I will miss her dearly.

“ My condolences to Finley/Bartolina family. Lisa was a true treasure and her family always came first in her life. She was so proud of her children and grandchildren. Her eyes would sparkle whenever she would talk about them.

*She was a daddy's girl and loved him so so much. She worked with him and his cattle. She stepped up to any challenge she was faced with, and usually won.*

*I have so many memories of her, and the trips we spent together. I will always carry our friendship in my heart and memories.*

*I will never forget her prayers getting us through a flood in Houston, trying to save a lizard's life, S. Padre Island and our excursion to Mexico.*

*I will miss her forever.*

*Rest in peace my dear friend.*
