“ *Lisa and I have been associates in different endeavors for years at H&P. She always is the person who did the right thing for the right reason. She cared about those whom she was responsible for. My memories of Lisa will stay with me as someone who cares about those she worked with and how she is dedicated a high level of excellence at her job.*

She always makes you feel good when you need it the most. Her smile brightens the room as does her positive outlook.

She will be missed.

“ Cousins are our first friends we are given Lisa you were one of the best! I can say that I know of no one who cherished her roll as a momma or granny more. You walked the walk forward always thankful of the blessings you were given. You are a motivation, an inspiration, a shining example of a Christian woman. God must have taken you back because He needed one of His really good ones. I'm going to miss you dearly ❤️ May eternal rest be granted to you Lisa, O Lord; and let His light perpetually shine upon you. May your soul, and the souls of all the faithfully departed, through the mercy of God, rest in peace. 🙏

Cousin Barbara - prayers are continuing to go out to you and everyone in Lisa's family. Clearly, this has been a devastating shock and I pray the peace of Christ on you all at this most difficult time. Lisa was my girlfriend my senior year of HS, her junior year. She was my prom date, and even attended our Henry family reunion in Lake Texoma in 1974. She was so sweet that even years later after we broke up, she would stop by and see my parents in Tulsa. About 10 years ago we saw each other briefly at her church when I was visiting back there and later connected on Facebook. It has been a joy to follow her life from afar, particularly her faith journey and love for her husband and family. She was a true angel that God simply wanted to call home early and I too hope one day to see her beautiful smiling face again in heaven.
