

Lloyd Frank

September 4, 2018

Lloyd was born in Oklahoma City, Oklahoma on Tuesday, May 16, 1933 to Lloyd Milton Frank and Virginia Lee (Allen) Frank. Lloyd passed away on Tuesday, September 4, 2018 at the age of 85.

Lloyd graduated from high school and went on to serve our country in the United States Navy until his honorable discharge in March of 1955. He worked at American Airlines as an AP Mechanic for 29 years before he retired in 1996. He was also a member of the TWU Union. He loved to spend time with his family at the lake fishing, boating, swimming, tubing, skiing, dancing with his love and “checking the trot lines”. He traveled a lot with his family via air and RV. He loved exploring and teaching us all about where we were at. He loved to garden, golf, make fishing lures, brew beer, and create anything from scraps of nothing. He was a carpenter and built an addition on to his family home with a sunroom and a pool that was enjoyed by all for years. He was loved by his family and always told the best stories. He was known as a positive male role model with his gruff words and tender side, but most of all he loved all unconditionally. He was known for his dedication to making sure others were taken care of ahead of his own needs.

Lloyd met the love of his life, Evelyn Maritta May out dancing and they loved to Jitterbug. Their union was blessed with two sons; Christopher and Craig, and one Daughter; Cherie. Late in life he became a member of First United
