“ *I had the privilege of knowing Lois and Junius for the past 18 years as I worked in the doctor's office that they came to. Such kind sweet people who I always enjoyed visiting with when they came into the office. I came to know alot about them and their life together. I know Lois was sure lost when Junius passed away. She talked alot about it when she would come into the office how much she was ready to go home and be with Junius. She is with him now. I will sure miss you Lois.*
