“ *Lois was a powerful person that knew how to make others feel good. She always had a smile and a kind word to say about everyone. She will certainly be missed but her legacy will live on. She and Jr. were always together.*

We loved Lois.

“ Some of the fondest memories I have of Aunt Lois were those of Thanksgiving dinner.

My parents, brother and sisters would load up our part of the meal in the station wagon (yes, with wood side panels!) and drive from OKC to Broken Arrow to join Lois, Jr., Glenda Kay and the rest of the family for the feast. The following year, we would reciprocate and everyone came to our house. This continued for years...

Of course there was always too much food. The good times, laughter and being all together are memories we are all thankful for. And we are thankful for the time we had Lois with us.

With deepest condolences...

“ *I am so sorry about the passing of Aunt Lois. What I remember most about Aunt Lois was her smile and her sweet, bubbly personality! I remember as a child stopping by their house on our way to the River on our vacation. I had my siamese cat with me. Well, I couldn't find my cat, and she had curled up in their bed in the middle of their pillows. I know how neat Aunt Lois was and I'm sure she didn't find it amusing, neither did my parents, Billi and Naomi Brady! Thinking of Glenda and Uncle Junior. Prayers are with you at this.*

“ *I have known Lois for almost 45 years. She was my husbands sister. She was always kind and considerate towards me. I am thinking of Glenda and DJ and offering prayers for them and her brothers.*

I will always remember my dear Aunt Lois laughter and her wonderful pea salad. I loved our phone visits so much and so happy for the two years we lived in Tulsa to be with her and Uncle Jr more than I would have.
