“ *I know Mrs Sue through her daughter, Cheri. Mrs Hansen’s catch phrase of “Okay” to most situations was how she approached people and life. I admired the fierce strength she showed of accepting the person, the situation, and life with openness, love, respect and always laughter. Those traits (but curiously not her catch-phrase) were passed to her children. I’ve always admired the family Marvin and Sue built. Mrs Hansen- you will be missed. Rest In Peace.*

I will always love you, Aunt Sue.

Your laugh was epic.

Love cannot die.
