“ Loretta was one of my best friends in this world! We have had many many laughs, talked endlessly on the phone. We would eat lunch together when I would be in Tulsa, or when she was in Muskogee. She would clip pictures out of books & say "can you make this for me??!" You will be missed my dear friend. I love you.
Kenneth, jenny,josh & families you are in our prayers.

“ Kenneth, I am so sorry for your loss. Loretta and I were buddies in junior high. I remember going to her house after school and there were pans of those wonderful yeast rolls her mom made. We talked incessantly about nothing but it seemed serious at the time. She had a way of making those quick responses without missing a step. We never had a falling out or cross words like kids can do. She was my true friend and I will never forget her.

“ Loretta was one of those individuals who never changed. Always looked like the sweet girl I knew from grade school. She had a beautiful smile and heart. I will miss seeing her next year at our 50th. My prayers to her family. She will be a bright star in heaven. God bless. Glenna Cope Stidham.

“ I don't believe I have ever been more stunned to read about the loss of an old friend as I have been about Loretta. Such a happy person and a truly proud Grandmother to her babies. Kenneth I cannot imagine you without your best friend, I have followed through the last few years on Facebook different articles with Jenny and Josh and no doubt you both are wonderful parents and I know they have made you both proud. I am truly sorry for your loss and know that she will live on in our memories until she greets us again, she will never be forgotten. Take care of each other.

“ I never saw Loretta when she was NOT smiling. And she had a great sense of humor. I'm willing to bet she was a fantastic wife to Kenneth, her children and her grandchildren. Not to mention a loving daughter to her mother. I wish she would have lived long enough to attend our 50th high school reunion next year so I could enjoy her sweet smile and get a hug from her. I will miss her. My prayers are for her family.

“ On behalf of the staff of Hometown Hospice, we were blessed and honored to be able to help Loretta and her family during her last few days. I remember praying for her and opening my eyes to see her smiling at me. Loretta is at home and at peace. I pray for that peace for her family and friends.
